

The Seven Mansions of the Interior Castle a weekend retreat experience **Friday, July 29, 2022 – Sunday July 31, 2022**

Please join us as we explore The Seven Mansions of Teresa of Avila's Interior Castle. Inspired by St. Teresa's vision of the soul as a diamond in the shape of a castle containing seven mansions, we will explore the stages that we go through as we are seeking to know our God. People of all ages and in all stages of spirituality are welcome to this retreat, which will include large group presentations, small group discussions, periods of reflection, and prayer in community. Doors will open at 5 pm Friday night, and the retreat will begin with dinner at 6 pm. This retreat will conclude before lunchtime on Sunday.

The Marianist Retreat & Conference Center is located on 120 acres adjacent to the Meramec River and features miles of forest trails, cliffs, streams, grotto, meadows, and a sculpture garden. Every attendee will enjoy a private room with its own bathroom and shower. We are also famous for our delicious meals.

Our presenter for this weekend is Susan Komis; she is a former Director of Programs & Services for Contemplative Outreach, Ltd. and continues to serve as a commissioned presenter and retreat director. She is a Pastoral Minister and has been active in adult faith development, spiritual direction and interspiritual dialogue. Susan previously worked in Human Resources for two corporations and has offered The Interior Castle retreat throughout the United States, Canada and the Dominican Republic. She resides in a suburb of St. Louis, Missouri, is married, is the mother of adult children and adores her grandchildren.
